GRAPE

SOUFFLÉ COLLECTION

cod. SC_GRAPE

This clear vase was created to achieve the most elegant design possible. Grape is a linear piece, made to embrace light and to reflect it all around. Its perfectly spherical shape is disturbed only by the sharp contrast of the black swirly edge typical of the Soufflé collection, blown with threads of fire cane. With its measurements of 10 x 21 x 22 cm, Grape can be a faithful companion to another piece of design furniture or stand proudly alone in a room.

Dimension	10 x 21 x 22 cm
Color	Crystal clear
Technique	Blown Murano glass and incalmo technique

Limited collection one of one, autographed by the author.
